

Did you know that employers of UCSD students report
"good communication and public speaking skills"
as the missing attributes among job-seeking graduates?

Communicate with Confidence!

ETS Interpersonal Communication Seminars

Enhance your interpersonal communication skills and social self-confidence, and establish new friendships!

ETS Public Speaking Seminars

Develop your confidence in preparing and delivering quality speeches and presentations with an audience of supportive peers!

Triton Success Program

Designed for emerging leaders, this yearlong program provides an opportunity for a select group of students to develop confidence in interpersonal communication, public speaking and leadership skills through interactive workshops and experiential learning activities!

CommunicateUCSD!

This collection of communication and public speaking workshops provides a flexible alternative to the quarterly seminars or yearlong programs. Attend 12 seminars to earn a Certificate of Completion!

ADVANCE! *Leadership at the Next Level*

Designed for upper division and graduate students, this yearlong program offers a unique opportunity for students to take their leadership to the next level through advanced communication, public speaking and leadership training and a community project.

ETS Peer Educator Program

Looking to build your resume? This one-year voluntary internship includes advanced public speaking training and many opportunities to practice. Peer Educators coordinate all FriendExpress events and promote ETS programs to the campus community!

PRONTO:

Professional Communication Training for College Students

Explore new friendships with other college students from UCSD and Southern California during this 2.5 day conference designed to provide professional communication training *on the go!*
